

1.About

The screenshot shows a web browser with multiple tabs open. The active tab is 'About - Carlos Vazquez'. The website has a dark blue header with navigation links: 'About', 'Projects', and 'Contact'. The main content area features the name 'Carlos Vazquez' in a large, bold font, followed by the title 'Head of AI at Tadweer Group'. Below this, there are three paragraphs of text: 'I am based in Abu Dhabi, United Arab Emirates. I work on artificial intelligence projects at Tadweer Group, where I help use technology to improve everyday workflows.', 'My interests include Python, machine learning, and AI agents. I enjoy learning how to build useful applications and solve problems with software.', and 'This website is my first project for the course.' To the right of the text is a photograph of Carlos Vazquez, a man with dark hair and a beard, wearing a blue t-shirt, standing in front of a palm tree. Below the photo is the caption 'Carlos Vazquez'. At the bottom of the page, there is a footer that reads 'Carlos Vazquez - Personal Developer Website'.

Carlos Vazquez

Head of AI at Tadweer Group

I am based in Abu Dhabi, United Arab Emirates. I work on artificial intelligence projects at Tadweer Group, where I help use technology to improve everyday workflows.

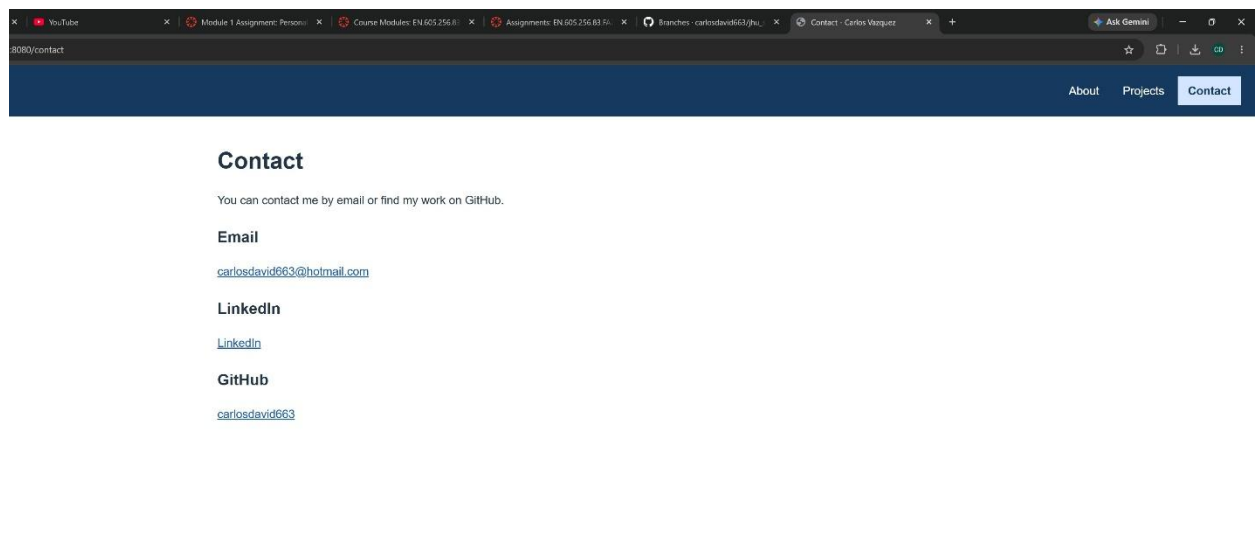

My interests include Python, machine learning, and AI agents. I enjoy learning how to build useful applications and solve problems with software.

This website is my first project for the course.

2. Contact

The screenshot shows the 'Contact' page of the website. The header is the same as the 'About' page. The main content area has the title 'Contact' in a large, bold font, followed by the text 'You can contact me by email or find my work on GitHub.' Below this, there are three sections: 'Email' with the link 'carlosdavid663@hotmail.com', 'LinkedIn' with the link 'LinkedIn', and 'GitHub' with the link 'carlosdavid663'. The footer is the same as the 'About' page.

Contact

You can contact me by email or find my work on GitHub.
